Professional Summary

Customer success and support specialist with 5+ years at Edge (Airbitz Inc), a B2B/B2C cryptocurrency wallet SaaS company. Guided learners and partners through onboarding, product questions, and escalations across email, chat, and phone. Built and maintained 750+ help articles and macros; administered Zendesk, Intercom, and Freshdesk. Strong interest in blockchain and emerging tech education. US remote (Eastern); available for fully remote roles.

Experience

Edge (Airbitz Inc), San Diego, CA (Remote) - Head of Customer Success & Project Planning *September 2020 to June 2026*

- Served as the customer-facing voice for a global digital asset platform: resolved learner and user issues on enrollment-style onboarding, wallet setup, transactions, and product how-tos across email, chat, and phone.
- Owned B2B partner onboarding and account health: walked stakeholders through activation steps, tracked open issues, and followed through until accounts were live and self-sufficient.
- Worked a team queue of 2,000 to 4,000 tickets per month while meeting response and resolution targets; stayed hands-on on complex cases.
- Wrote and maintained 750+ help articles, macros, and FAQ-style content so learners could self-serve enrollment and product questions without waiting on a ticket.
- Identified product bugs and friction from support patterns; escalated clear reproduction steps and customer impact to Engineering and Product.
- Administered Zendesk, Intercom, and Freshdesk (CRM-style helpdesk tools) through two full platform migrations with zero downtime; built AI chatbot flows to deflect repeat contacts.
- Trained and coached a distributed team of 4+ agents while keeping empathetic, plain-language communication as the standard for technical topics.

Freelance Media & Event Operations - Owner / Independent Contractor *October 2015 to September 2020*

- Primary client contact for scoped projects: clear written updates, expectation setting, and real-time troubleshooting under deadline pressure.

CSDD - Life Enrichment Academy, Warren, MI - Caseworker / Direct Care *October 2009 to October 2015*

- Patient, long-horizon follow-through across clients, families, and staff with confidential records and consistent communication.

Skills

- **Customer success / support:** Onboarding guidance, account health, ticket and live chat support, phone escalations, empathetic written communication, knowledge base and FAQ authoring.
- **Blockchain / Web3:** Cryptocurrency wallets, transaction troubleshooting, blockchain explorers, fiat on-ramps, partner support in a crypto SaaS environment.
- **Tools:** Zendesk, Intercom, Freshdesk, HubSpot (working familiarity), Google Workspace, Slack, Asana, Cursor.

Education

Henry Ford Community College, Dearborn, MI * Coursework focused on Business and Writing fundamentals.
