Experience

Head of Customer Success & Project Manager

Edge (Airbitz Inc.) | Sep 2020 - Present

Architected the migration of entire support ticketing architectures (Freshdesk to Zendesk to Intercom). Developed over 750 workflow automations and macros, drastically reducing inbound ticket volume while leading a cross-functional team of 4+ agents.

Owner & Independent Contractor

Michael Allan Freelance | Oct 2015 - Sep 2020

Operated an independent video production and event services business. Managed all high-touch client relations (weddings/events), deliverables tracking, and subcontractor hiring. Single-handedly configured and managed mobile point-of-sale systems, processed live sales transactions, and delivered rapid turnaround on on-site media edits.

Case Coordinator & Direct Care

CSDD - Life Enrichment Academy | Oct 2009 - Oct 2015

Managed confidential client files and relationships, ensuring strict compliance to secure essential program funding. Developed and implemented individualized enrichment programs, providing compassionate direct care and fostering long-term success for clients.
